~~API STD 53 – Engineering Standards~~

API 610 is the API standard about centrifugal pumps and is primarily intended for use in the petroleum, natural gas and chemical industries. Although the 1st through 7th Editions of API 610 included specifications for mechanical

File Type PDF Api Standard 603 Eighth Edition X 2012

seals, beginning with the 8th Edition, API 610 defers to API 682 for seal specifications.
