Methods and Procedures Memo Format.

Mechanical Engineering Memorandum
This memo is to form the general format of an engineering memo. This first paragraph is intended to give a general statement of the intent and purpose of the memo. This paragraph should never exceed four or five lines of text. All other information should appear in the following paragraphs. The main body of an engineering memo is designed to convey the bulk of the information and should be separated by an extra space from the opening paragraph to set it off.
