~~Paradigm College Accounting:
Chapters 1-29 4th edition by ...~~

Key Accounting Principles,
Volume One, starts there, from a
student's point of view, using our
interactive, multisensory toolkit
to engage students in a big-
picture understanding of how the
language of accounting applies to
them. Once students are
comfortable with the logic and
principles from a personal
perspective, we then move to the
business context.
